

# Arizona Primitive Volleyball Club

## Boys 2010 Commitment Form

Arizona Primitive is a competitive volleyball club whose goal is the development of volleyball athletes within a team structure. We would like to emphasize that it is our job as a club to put the team first in almost every situation. It is our desire to see each of our athletes develop into well-balanced and successful young people through hard work and united team vision. We view team sports as a tremendous tool in any young person's growth—those without it are missing out on a great opportunity and a great experience.

Every player's attendance at all practices and all tournaments is essential to the development and success of the team. If, for any reason, you are going to miss any practice or tournament or be late to any club function, please notify your coach directly as soon as you are aware of the situation. If you are aware of a situation right now, please notify your coach right now.

Playing time is not guaranteed. Factors determining playing time will include attitude, attendance, punctuality, position, skill level and work ethic. It is our goal to give playing time to every athlete at every tournament, especially if he has exhibited the above traits.

Once you have committed to the club, you have committed to the entire season and the entire season's fees. It is extremely detrimental to the team when a player/parent decides in the middle of the season to leave the club. Further, it is unfair to any athletes that may have been cut from that team.

**Fees for this season will be \$750 for all teams.** Teams that wish to travel will be charged later on a per-trip basis. \$250 is due at the conclusion of tryouts as a commitment fee to the club. If you are unable to commit at the end of tryouts, we will offer your spot to another athlete. Payments of \$250 will be due at the first practices of October and November.

Our parents are strongly encouraged to participate in the lives of their children. Arizona Primitive may ask you to help out in a variety of ways, but we can assure you that we will not ask for your help in three specific areas; (1) coaching your child and his or her team, (2) educating your child's coach on how to coach volleyball, and (3) scolding the referees for bad calls. We encourage the players themselves to deal directly with their coaches. If you would like to speak with your child's coach, appointments are appreciated. Before or after a match is not a good time for appointments.

Please sign below that you can commit to the above items. Thanks, we are looking forward to a great season!
